REFUSALS/INCORRECT ADDRESS: Any orders that are refused or are undeliverable will be charged shipping fees to the customer and return shipping fees to Worthington Distribution, plus a restocking fee of 10% of the invoiced amount. FedEx and UPS impose an address correction fee, which Worthington Distribution will bill you for if an incorrect address is given at time of order. This includes, but is not limited to, incorrect street address, missing suite/apartment numbers, or incorrect ZIP code. To avoid both this charge and shipping delays, please confirm accurate shipping information at time of order.

DROP SHIPMENTS: We can ship directly to your job site or client as requested. Please make sure that someone will be available to sign for the package(s) or arrange for a signature release on file with the carrier. Manufacturer special orders, large orders and expedited orders may also be drop shipped directly from the manufacturer to your location. Although Worthington Distribution does not charge for drop shipments, please note that several manufacturers do charge a drop ship fee. You will be billed separately for any incurred drop ship fees and shipping costs.

BILLING/SHIPPING DISCREPANCIES: Shipping or billing discrepancies (misshipped items, missing items, incorrect charges, etc.) must be brought to our attention within **5 days of receipt of package**.

DAMAGED IN SHIPPING: Every effort is made to pack your goods to prevent damage during shipping; however, if damage does occur, you must notify Worthington Distribution within **5 days of receipt of package**. We will file a claim with the carrier, and upon credit from the carrier, we will issue credit to you. FedEx and UPS reserve the right to inspect packaging and damaged products; credit may not be issued if packaging and/or product is not available for inspection. If your package arrives visibly damaged, please ask your courier to make a note of the damage at time of delivery.

DEFECTIVE RETURNS: Although Worthington Distribution understands how exasperating it is to receive a defective product, we must adhere to all **manufacturer warranty requirements**. Therefore in accordance with the manufacturer's terms and conditions, the manufacturer has the right to repair or replace defective product at their discretion. Some manufacturers will handle these returns directly. Upon manufacturer's approval we will replace defective products returned to us within 30 days of the invoice date. Defective products **must** be returned in the manufacturer's original packing, and the carton **must** include **all** components and other items originally packaged with the product, including all manuals, etc. **Do not write on or use the product box as a shipping box.** You pay shipping to us, and we will pay for domestic return shipping to you via FedEx Ground or UPS Ground. Many manufacturers reserve the right to return your product to you, should the product prove to be operational; in these cases credit will not be issued for the product, and return shipping fees will be billed to you. Please feel free to contact us for free technical assistance and troubleshooting if you feel you have received a defective item. Please note that some manufacturers require factory troubleshooting prior to RMA issuance.

ALL RETURNS: All return requests must be made within **30 days** from date of purchase. During this 30-day period, all new and unused products that are currently manufactured, in their original packaging with all hardware and manuals, and in resellable condition, can be returned without a restocking fee; **installed items cannot be returned**. You must pay shipping to us. Product not meeting these criteria, in most cases, cannot be returned or is subject to a restocking fee. Due to copyright laws, software, books, and manuals are not returnable. Wire and conduit are also not returnable. Shipping charges are not refundable and returns must be sent to Worthington Distribution freight prepaid. Worthington Distribution is not responsible for returns lost or damaged during shipping. **Our RMA request form must be completed before an RMA number is issued.** To obtain an RMA request form, contact us at 1-800-282-8864, or you can download the RMA form at www.worthdist.com>Returns. RMA numbers are issued to ensure proper credit is applied or replacement product is handled correctly. You must write the RMA number on the outside of the shipping package you are returning, not on the manufacturer's package. RMA numbers are valid for **15 days** from date of issue. Returns without an RMA number on the box are subject to refusal. **Note: It is the customer's responsibility to verify compatibility and customer commitment prior to ordering and installing any items. There are no returns on special order merchandise.**
